I was born in Thessaloniki (Greece) in 1977. I graduated from Highschool in 1995 with grade 19.7/20, being first among my classmates. For this reason I was awarded the “John and Vasileia Karagianni Award” from Municipality of Thessaloniki (May 1996).

I attended the Medical School of Aristotle University of Thessaloniki (Greece). The final grade was 8.17/10 (26/04/2002).

On 05/15/2002 I was given the medical license.

I worked as a rural doctor in Arnaia (Chalkidiki, Greece) (09/23/2002-09/22/2003).

I have attended 1.5 years of General Surgery as a resident: in General Hospital of Poligiros (Chalkidiki, Greece) (06/18/2002-09/17/2002) and in University General Hospital of Alexandroupolis (Greece) (02/04/2004 – 07/02/2005).

I served in Greek army from 02/14/2006 till 12/29/2006. During my military service, I worked as a doctor (02/15/2006 - 03/31/2006) in the military camp «VERSI» (Arta, Greece), participating in outpatient clinic activities, emergencies (on duty) and as a teacher on health issues. From 04/03/2006 till 04/14/2006 I participated in all medical activities of the Neurosurgical Department of 424 Military Hospital (Thessaloniki, Greece) (outpatient clinic, operations).

From 03/26/2007 till 11/05/2007 I was resident in Neurosurgery in 417 Military Hospital (NIMTS, Athens, Greece). I continued my residency in Neurosurgery from 02/06/2008 in the General Hospital of Thessaloniki (Greece) “G. Papanikolaou”. The expected date of residency completion is 12/25/2011.

I have helped with the teaching of “Neurosurgery” and “General Surgery” in medical students (3rd, 4th, and 6th year) of Democritus University of Thrace (Medical School, Alexandroupolis, Greece).

I hold a PhD (Democritus University of Thrace, Medical School, Alexandroupolis, Greece). The title of my thesis is: “Correlation of GCS, CT, and APACHE-II findings in head injured patients”.

I am a reviewer in “Molecules” (<http://www.mdpi.org/molecules/>) (2009), in “International Journal of Medicine and Medical Sciences” (<http://www.academicjournals.org/IJMMS/>) (2009), in “Recent Patents on Medical Imaging” (Editorial Advisory Board Member)

(<http://www.bentham.org/open/rptmi/index.htm>) (2009), in “Journal of Pharmacology and Pharmacotherapeutics” (Editorial Board Member) (<http://www.jpharmacol.com/new/Home>) (2010), in “Nursing2010” Journal (<http://journals.lww.com/nursing/pages/default.aspx>) (2010) and instructor in EKAB (National Center of Urgent Help) (03/03/2009 – 07/16/2009), teaching the following course: “Traumatic Brain Injuries”.

I am also a reviewer for the National Health and Medical Research Council (NHMRC) of Australian Government for evaluating research programs (2009 NHMRC Project Grants scheme). The evaluated protocol (27/06/2009) was: «Exploring the role of erythropoietin therapy after traumatic brain injury: from bed to bench-side» (ID: 606624).

Moreover, I am a reviewer (Sentinel Reader) of the Centre for Evidence-Based Practice, School of Rehabilitation Science, McMaster University, Ontario, Canada in the context of the system “McMaster Online Rating of Evidence (MORE) – Clinical Relevance Online Rating System” (Discipline Name: Chronic Pain) (I rated 12 articles in 2009).

I reviewed the following paper submissions for the 2010 Academy of Management Meeting (August 6-10, Montreal, Canada):

- # 12888 – “A Few Bad Apples” or “The Tip of the Iceberg”?
- # 14256 – “Structuring Uncertainty in Shared Medical Decisions”
- # 14730 – “Nursing workload and safety culture: A heuristic framework to guide translational research”
- # 17415 – “Data Dredging within the Management Literature”.

I am a member of AOSpine (<http://www.aospine.org>) (membership number: 23124) and of American Association of Neurological Surgeons (AANS – International Resident member, 18/08/2009). I am also a member of the United Spinal Association (30/11/2009).

I passed the ATLS (Advanced Trauma Life Support) exam of American College of Surgeons (June 2004). I also have a MSc in Health Services Management (Hellenic Open University, Patra, Greece) with a grade of 8.74/10 (10/03/2008). The title of my thesis was: “Satisfaction survey of inpatients of University General Hospital of Alexandroupolis”.

In addition, I have been specialized in “Financial Management and Informatics” (National and Kapodistriako University of Athens, Athens, Greece – e-learning) (10/04/2004 – 07/11/2005). The attended courses were: Business Financing (92%), Accounting (94%), Evaluation of Risk and Investment (88%), Bank Management (94%), Microsoft Excel 2002 (99%), Microsoft Access 2002 (96%) and Editing of financial data using Excel (99%).

I have obtained the following certificates:

1) First Certificate in English – Grade B, University of Cambridge Local Examinations Syndicate International Examinations, in Thessaloniki, Greece, June 1992 (reference number: 926GR0260356)

2) Certificate of Proficiency in English – Grade B, University of Cambridge Local Examinations Syndicate International Examinations, in Thessaloniki, Greece, December 1993 (reference number: 93CGR0268172)
